**AFFIDAVIT IN SUPPORT OF  
AN APPLICATION FOR A SEARCH WARRANT**

I, Anthony Todd Williams Jr., being first duly sworn, hereby depose and state as follows:

**INTRODUCTION AND AGENT BACKGROUND**

1. I make this affidavit in support of an application for a search warrant to search the following premises and seize the items listed in Attachment B:

a. The business is located at 15252 MS-21, Walnut Grove, Mississippi 39189, and its curtilage and outbuildings, appurtenances, and attached and detached garages and vehicles and trailers located on such curtilage including any and all parking lots; more particularly described in Attachment A.

2. This affidavit sets forth facts establishing probable cause to believe that PECO FOODS and others are willfully and unlawfully employing illegal aliens in violation of Federal Law and within the locations which are further described in Attachment A, currently exists those items, set forth in Attachment B, which constitutes evidence, instrumentalities, contraband and/or fruits of the violations.

3. I am a Special Agent with Homeland Security Investigations ("HSI"), within United States Immigration and Customs Enforcement ("ICE"). I am assigned to the Office of the Resident Agent in Charge, Jackson, Mississippi. I have been trained specifically in the

investigation and elements of federal crimes at the Federal Law Enforcement Training Center at Glynco, Georgia. I hold Bachelors of Art and Masters of Science degrees in Criminal Justice from the University of Southern Mississippi. I am also a graduate of the United States Border Patrol Academy at the Federal Law Enforcement Training Center in Artesia, New Mexico. I have approximately 10 years of experience as a federal law enforcement officer and criminal investigator.

4. My experience as a federal law enforcement officer and criminal investigator includes the investigation and prosecution of violations of criminal laws relating to unlawful entry, employment, and physical presence in the United States of individuals subject to the Immigration and Nationality Act. My current duties include conducting criminal investigations of violations of Federal Statutes and administrative violations of the Immigration and Nationality Act and Title 18 of the United States Code. As part of these duties, I have become involved in the investigation of suspected violations of Title 8, United States Code, Section 1324(a), Unlawful Employment of Aliens. Through formal and on the job training, I am experienced in crimes involving the unlawful employment of aliens. I have participated in the execution of numerous search warrants for documents and other evidence, including computers and electronic media.

5. This affidavit is intended to show only that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter. This affidavit is based on my knowledge arising from my participation in this investigation; upon information provided to me by other HSI agents, law enforcement officers and government officials jointly participating in this investigation. Because this affidavit is being submitted for

the limited purpose of establishing probable cause for the issuance of a search warrant, it does not contain every fact known to me or other agents of HSI.

6. Section 274A of the Immigration and Reform Act of 1986 (IRCA) contains provisions which require all employers to verify the employment eligibility of all new employees hired after November 6, 1986. The Form I-9 (Employment Eligibility Verification), hereto referred to as Form I-9, was developed for verifying that persons are eligible to work in the United States. Employers must ensure the Form I-9 is completed every time a person is hired to perform labor or services in return for wages or other remuneration. Any person who, during any 12-month period, knowingly hires for employment at least 10 individuals with actual knowledge that the individuals are unauthorized aliens is in violation of Title 8, United States Code, Section 1324(a)(3)(A).

7. Intentional hiring of unauthorized aliens is a violation of Title 8, United States Code, Section 1324a. A person or entity which engages in a pattern and practice of violations in this Section shall be fined no more than \$3000 for each unauthorized alien with whom such a violation occurs, imprisoned for not more than six months for the entire pattern or practice, or both, notwithstanding the provisions of any other Federal law relating to fine levels.

8. A person who violates Title 8, United States Code, Section 1324, subparagraph (A) and in which the offense was done for the purpose of commercial advantage or private financial gain is in violation of Title 8, United States Code, Section 1324(a)(1)(B)(i).

9. Intentional false statements, by making or using any false writing or document knowing the same to contain any materially false, fictitious, or fraudulent statement on the Form I-9 is a felony violation of Title 18, United States Code, Section 1001.

10. The Form I-9 is comprised of three Sections. Section 1 is to be completed by the employee at the time of hire. This Section contains the fields of name, address, date of birth, social security number, and the attestation of the employee as to their immigration status in the United States. Section 2 is to be completed by the employer and consists of three separate columns for List A, List B, and List C documents. The employer is required to examine original documents presented by an employee and then complete this Section within three (3) days of the date the employment begins. Some documents such as United States Passports, Certificates of Naturalization, Alien Registration Cards or Employment Authorization Cards establish both identity and employment eligibility (List A). Other documents such as Drivers Licenses, and Voter Registrations Cards establish identity only (List B), while documents such as Social Security Cards and birth certificates establish employment eligibility only (List C). In order for an employee to be deemed eligible to work by the employer, that employer must examine both one (1) document from List A, or one document from List B and one document from List C. If employees are unable to present the required document(s) within 3 business days of the date the employment begins, they must present a receipt for the application for the document within three business days. Employers must retain all I-9(s) for 3 years after the date of employment begins or 1 year after the person's employment is terminated, whichever is later. Section 3 is completed by the employer to re-verify the employment authorization for current employees. When an employee's work authorization expires, employers are required to re-verify on the Form I-9 not later than the date the employee's work authorization expires.

11. Based on my training and experience and the facts as set forth in this affidavit, there is probable cause to believe that violations of Title 8 and Title 18 of the United States Code have been committed by PECO FOODS and others. There is also probable cause to search the

premises described in Attachment A for evidence of these crimes and contraband or fruits of these crimes, as described in Attachment B.

### **ALTERNATIVES TO DETENTION**

20. ICE routinely utilizes the Alternatives to Detention (ATD) Program for subjects in ICE custody. The Alternatives to Detention Program is a flight-mitigation tool that uses technology and case management to ensure compliance with release conditions and facilitate alien compliance with court hearings and final orders of removal while allowing aliens to remain in their community contributing to their families, community organizations, and, if necessary, wrapping-up their affairs in the United States as they move through immigration proceedings. The ATD Program is not a substitute for detention nor is it used as a removal tool; however, the program may be appropriate for an alien who is released pursuant to: an Order of Release on Recognizance (OREC), an Order of Supervision (OSUP), a grant of parole; or a bond (unless the immigration judge or board of immigration appeals has determined custody and did not include ATD as a provision). To be eligible for the ATD program participants must be adults 18 years of age or older, be removable, and be at some stage of immigration proceedings. The ATD Program supervises participants, with contractor support, utilizing a combination of home visits, office visits, alert response, court tracking, and technology. The current government contractor (BI Inc.) for ATD operates under the Intensive Supervision Appearance Program (ISAP). The ISAP

III contract allows ATD officers the ability to determine the frequency of home and office visits, types of technology, telephonic, GPS or SmartLink, court and alert management. Case management levels and technology assignment can be reviewed and adjusted by the ATD officer at any time depending upon change in circumstances and compliance.

21. The ATD Program utilizes three (3) different forms of technology that help monitor participants while enrolled in the program. The forms of technology include:

- a. Telephonic reporting utilizes a participant's voice to create a biometric voiceprint during the enrollment process, every time the participant calls in his/her voice is compared against the voiceprint.
- b. GPS monitoring requires at least three (3) satellites to locate a unit attached to the participant's ankle. When a participant is within range of more than three satellites a GPS unit give more accurate data regarding the participant's location.
- c. SmartLink enables ATD officers and case specialists to keep participants focused on the conditions of release via their smartphone or tablet, they are able to verify a participant's identity, determine their location, and quickly collect status change information.

22. Enrollment in the ATD program does not grant any immigration benefits including employment authorization.

#### **ILLEGAL ALIENS ENROLLED IN ATD & EMPLOYED BY PECO FOODS**

40. ALONZO-Alonzo stated that she is working under the assumed identity of Isabel Perez and is currently assigned to work nights. Her unit is responsible for the processing of chicken tenders. HSI agents verified the fraudulent name (assumed identity, Isabel S PEREZ) used by ALONZO-Alonzo and discovered it on the Mississippi Department of Employment Security (MDES), Employer's Quarterly Wage Report, 4th quarter of 2018, for PECO FOODS. 41. ALONZO-Alonzo explained to the agents that she bought the assumed identity from an unidentified Black male at a laundromat in Forest, MS. According to her, she was sold a counterfeit identification card with the assumed identity and her photo, and a social security identification card for \$200.00.

#### **ARRESTS OF ILLEGAL ALIENS EMPLOYED BY PECO FOODS**

42. On June 13, 2019, at approximately 1:30 pm, Special Agents and Task Force Officers assigned to HSI Jackson established surveillance in the area of PECO FOODS, located in Walnut Grove, MS.

43. At approximately 4:30 pm, DO Ayala observed a red and brown Chevrolet Astro van bearing Mississippi license plate LJI720, depart from PECO FOODS in Sebastopol, MS and travel north on Highway 21. SA Young observed the vehicle a short time later at Duett's Convenient Store in Sebastopol. The vehicle departed from Duett's Convenient Store and traveled north on Mississippi Highway 21 before turning north on Mississippi Highway 487. At approximately 4:45 pm, Leake County, Mississippi, Sheriff's Deputy Justin Sims observed the aforementioned vehicle cross the center line of Highway 487 into the southbound lane of oncoming traffic. Deputy Sims then initiated a lawful traffic stop on the vehicle at Mississippi Highway 487 and Purvis Road in Walnut Grove, Mississippi.

44. The driver of the vehicle was identified as Ramiro LOPEZ-LOPEZ (A216 XXX XXX), a native and citizen of Guatemala, along with six (6) female passengers, who were all natives and citizens of Guatemala. HSI Jackson Special Agents and Task Force Officers responded to Deputy Sims location to assist. It was determined that all occupants of the vehicle

had unlawfully entered the United States without inspection or admission. All subjects were taken into custody and transported to HSI Jackson and processed for removal.

45. During processing, all subjects initially denied working for PECO FOODS in Sebastopol, but later stated that they did in fact work for PECO FOODS. Maria Marta MATIAS-PEREZ never admitted to working for PECO FOODS and claimed that she worked as a tree planter. Record checks revealed that none of the seven (7) subjects are authorized to lawfully work in the United States.

46. This affidavit is being submitted simultaneously with an administrative warrant for inspection to search at PECO FOODS, INC. – Sebastopol Processing Plant, located at 15252 MS-21, Walnut Grove, Mississippi 39189, for persons believed to be working in the United States without authorization.

### **CONCLUSION**

47. Based on the facts and information as stated in this affidavit and my training and experience, I submit that this affidavit supports probable cause for a warrant to search the PREMISES described in Attachment A to seize the items described in Attachment B.

48. Based upon my training and experience, combined with the facts and observations set forth in the foregoing paragraphs, I have reason to believe and do believe there exists probable cause that evidence of violations of Title 8, United States Code, Section 1324(a), Unlawful Employment of Aliens, Title 18, United States Code, Section 1001, Title 18, United States Code, Section 1546(a), Fraud and misuse of visas, permits, and other documents to gain employment, Title 18, United States Code, Section 1028(a)(7), Fraud and related activity in connection with identification documents, authentications features, and information, Title 18, United States Code, Section 1015(e), False statement to obtain benefits or employment, Title 18,

United States Code, Section 911, False claim to be a Citizen of the United States, and Title 42, United States Code, Section 408(a)(7)(B), Use of Unauthorized Social Security Number, and fruits of such crimes or property designed, intended for or used for such crimes are located at the PREMISES described in Attachment A.

49. In consideration of the facts presented, I respectfully request that this Court issue a search warrant for the premises located at 15252 MS-21, Walnut Grove, Mississippi 39189, and all appurtenances thereto as more fully described in Attachment A and authorize the seizure of the items described in Attachment B to this Affidavit.

**REQUEST FOR SEALING**

50. I further request that the Court order that all papers in support of this application, including the affidavit and search warrant, be sealed until further order of the Court. These documents discuss an ongoing criminal investigation that is neither public nor known to all of the targets of the investigation. Accordingly, there is good cause to seal these documents because their premature disclosure may seriously jeopardize that investigation.

Respectfully submitted,

Anthony Todd Williams Jr.
